Material Safety Data Sheet

May be used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements.

U.S. Department of Labor

Occupational Safety and Health Administration (Non-Mandatory Form) Form Approved OMB No. 1218-0072

IDENTITY (As Used on Label and List) Sargent Art Tempera Paint	Note: Blank spaces are not permitted. If any item is not applicable, or no information is
ourgent Art Tempera Tumt	available, the space must be marked to indicate that.
Section I	
Manufactured for:	Emergency Telephone Number:
Sargent Art, Inc.	570-454-3596
Address:	Telephone Number for Information:
100 E Diamond Avenue	570-454-3596
Hazleton, PA18201	Date Prepared:
USA	09/21/2011
	Signature of Preparer: (optional)
Section II - Hazard Ingredients/Identity Information Hazardous Components	

ALL AP PRODUCTS ARE CERTIFIED BY A NATIONAL RECOGNIZED AUTHORITY ON TOXICOLOGY ASSOCIATED WITH A LEADING UNIVERSITY TO CONTAIN NO KNOWN TOXIC MATERIALS IN SUFFICIENT QUANTITIES TO BE INJURIOUS TO THE HUMAN BODY EVEN IF INGESTED.

CONFORMS TO ASTM-D 4236.

Section III - Physical/Chemical Characteristics

[Specific Chemical Identity; Common Name(s)]

Boiling Point: 550-750 deg F	Specific Gravity: (H20=1) 0.8-1.1
Vapor Pressure (mm Hg.): N/A	Melting Point: 125-145 deg F
Vapor Density (AIR = 1): N/A	Evaporation Rate (Butyl Acetate=1): Less than 0.01
Solubility in Water: Negligible	•

|Solubility in Water: Negligible

Appearance and Odor: Essentially odorless

Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used): N/A

Flammable Limits: NONE

LEL: NONE

Extinguishing Media: Carbon dioxide, water, foam.

Special Fire Fighting Procedures: Self-contained breathing apparatus.

Unusual Fire and Explosion Hazards: NONE

Section V - Reactivity Date	
Stability, (STABLE or UNSTABLE): Stable	
Conditions to Avoid: None known	
Incompatibility (Materials to Avoid): Strong	oxidizers and acids.
Hazardous Decomposition or Byproducts:	Carbon Monoxide
Hazardous Polymerization MAY OCCUR or Conditions to Avoid: None known	WILL NOT OCCUR: Will not occur
Section VI - Health Hazard Data	
	Industria and No
Route(s) of Entry:	Inhalation?: No
	Skin?: No
	Ingestion?: Possible, see below.
Health Hazards (Acute and Chronic): This p	
sufficient quantities to be toxic or injurious to h problems.	numans or to cause acute or chronic health
Carcinogenicity (NTP)?: Does not apply.	IARC Monographs?: None
caromogementy (IVIII) II Boos not apply.	OSHA Regulated?: Not regulated
Signs and Symptoms of Exposure: Does no	
Medical Conditions Generally Aggravated I	
Medical Conditions Generally Aggravated I	by Exposure: None known
	by Exposure: None known ested, call physician immediately.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling	by Exposure: None known ested, call physician immediately.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea	by Exposure: None known lested, call physician immediately. J and Use lased or Spilled: Sweep into container and dispose
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Releat of according to local regulations.	by Exposure: None known lested, call physician immediately. l and Use ased or Spilled: Sweep into container and dispose local regulations.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Releat of according to local regulations. Waste Disposal Method: In accordance with	by Exposure: None known lested, call physician immediately. l and Use ased or Spilled: Sweep into container and dispose local regulations.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea of according to local regulations. Waste Disposal Method: In accordance with Precautions to Be taken in Handling/Storin	by Exposure: None known lested, call physician immediately. l and Use ased or Spilled: Sweep into container and dispose local regulations.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea of according to local regulations. Waste Disposal Method: In accordance with Precautions to Be taken in Handling/Storin Other Precautions: None known	by Exposure: None known lested, call physician immediately. l and Use lased or Spilled: Sweep into container and dispose local regulations. lig: Store in a cool dry place.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea of according to local regulations. Waste Disposal Method: In accordance with Precautions to Be taken in Handling/Storin Other Precautions: None known Section VIII - Control Measures	by Exposure: None known lested, call physician immediately. l and Use lased or Spilled: Sweep into container and dispose local regulations. lig: Store in a cool dry place.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea of according to local regulations. Waste Disposal Method: In accordance with Precautions to Be taken in Handling/Storin Other Precautions: None known Section VIII - Control Measures Respiratory Protection (Specify Type): Not	by Exposure: None known lested, call physician immediately. l and Use lased or Spilled: Sweep into container and dispose local regulations. lig: Store in a cool dry place.
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea of according to local regulations. Waste Disposal Method: In accordance with Precautions to Be taken in Handling/Storin Other Precautions: None known Section VIII - Control Measures Respiratory Protection (Specify Type): Not Ventilation/Local Exhaust?: Not required	by Exposure: None known lested, call physician immediately. J and Use ased or Spilled: Sweep into container and dispose local regulations. Ig: Store in a cool dry place. required Other?: None
Emergency and First Aid Procedures: if ing Section VII - Precautions for Safe Handling Steps to Be Taken in Case Material is Relea of according to local regulations. Waste Disposal Method: In accordance with Precautions to Be taken in Handling/Storin Other Precautions: None known Section VIII - Control Measures Respiratory Protection (Specify Type): Not Ventilation/Local Exhaust?: Not required Mechanical (General): Not required	by Exposure: None known lested, call physician immediately. J and Use lested or Spilled: Sweep into container and dispose local regulations. Ig: Store in a cool dry place. Prequired Other?: None Other?: None Eye Protection: Not required
